

Tulare County Child Abuse Prevention Council's 17TH

# ANNUAL CYNTHIA LOCKHART-MUMMERY CONFERENCE

launches sponsorship opportunities!

Dear Community Partner,

Each year the Tulare County Child Abuse Prevention Council (CAPC) brings together over 300 local educators, mental health workers, social workers, law enforcement and child advocates with the CLM Conference.

As in prior years, the annual conference will offer multiple opportunities for organizations to connect with hundreds of attendees and demonstrate their commitment to strengthening families and promoting child well-being. This 2022 in person event brings the added benefit for sponsors and exhibitors to have more exposure to a wider audience.

This year's conference topic is ***"What Happens When The Village Falls Apart."*** The event will feature:

- System lessons learned during the pandemic that affected children, families and communities in the Central Valley.

An event of this magnitude is made possible through the generous support and contributions of organizations, agencies, businesses and community members like you. We hope you will consider sponsoring this year's event and help us fulfill our mission "to prevent child abuse by building and maintaining community collaborations, by coordinating quality services, and by disseminating information for children and families."

With your sponsorship at this upcoming event, we're sure to achieve this season's fundraising goal and serve Tulare County well. If your company is interested in being our official event sponsor or supporting our efforts please reach out to us at [info@tularecountycapc.org](mailto:info@tularecountycapc.org) or by phone at (559)735-0456. We can't wait to hear back!

Sincerely,

Executive Director

## WHEN THE VILLAGE FALLS APART

*System lessons learned from the  
pandemic that affected children,  
families and our community*
